

## Sub League Qualifier 2 – June 21, 2014

Alphabetical Competitor List – Please check your information carefully

All corrections to Name, Team Name, Belt/Skill Level, and Weight Division must be made online before 8 p.m. on Tuesday, June 17.  
See page 1 for instructions on updating your information.

### IMPORTANT REMINDER: Making Weight

The weight division shows the **MAXIMUM** weight competitor can be with uniform on.

- Double check weight now with gi and/or no-gi uniform on. If in doubt, go with the higher weight.
- For safety and fairness, weight division guidelines are strictly enforced, with **NO** exceptions.
- Competitors who do not make weight will be **DISQUALIFIED** and will **NOT** compete. Disqualification is non-refundable.
- You will be **DISQUALIFIED** if you weigh **MORE** than the maximum weight listed for your division. It is okay to weigh less than your weight division.
- Official weigh-ins will occur in the bullpen just before the athlete competes. Competitors will have only one opportunity to make weight.
- All gi and no-gi competitors will wear their full competition uniform during weigh in.
- No changes will be accepted after 8 p.m. on Tuesday, June 17.

### Youth Competitors: Update “Actual Weight”

Parents: When you registered your child, you entered their “actual weight”. This information is very important, as whenever possible, we try to keep our youngest competitors in groups within two years and 10 pounds of each other. Please double check weight and make any updates by 8 p.m. Tuesday, June 17.

### Corrections to Team Name

To help us count team points correctly, it is necessary for each athlete to list their team name correctly on their online registration. Similar but different team names will be counted as separate teams (i.e. Team Oregon Jiu Jitsu and Team Oregon Martial Arts). When two or more team names are listed together, only the first team listed will receive points. Please follow the directions below to update your team name by 8 p.m. Tuesday, June 17.
