OREGON OPEN

2017 Poster

The 2018 Oregon Open offers a number of unique sponsorship opportunities to fit your needs. All sponsor logos will appear on subleague.com, the official event website, which receives on average 500 hits per day. Logos will remain on the site throughout the year, from the time sponsorship is committed until July 2019 (when 2020 promotion begins).

Sponsorship funds go directly toward athlete prizes, trophies, staffing, facility fees, and event promotion. Your contribution directly rewards participants and showcases your company as a supporter of cutting edge athletes and the Jiu Jitsu community. Thank you for helping to promote the sports of Brazilian Jiu Jitsu and submission wrestling in the Northwest!

Presenting Sponsor - $1,000

Presenting sponsors will receive the most prominent logo placement of all supporters, in regard to frequency, size, and position. Presenting sponsor logos will appear on the event website (subleague.com); email promotions; printed materials (packets, registration, programs); and season T-shirt.

In addition, Presenting Sponsors are invited to post a promotional coupon as well as a banner ad on subleague.com. Finally, presenters are entitled to a booth to display their products and/or services at the event and are encouraged to display their company banner.

Major Sponsor - $750

Major Sponsors have a unique promotional opportunity to present their brand to the grappling community and to demonstrate their support of local athletes with an on-site booth at the event.

In addition to a booth space, Major Sponsors receive the second most prominent logo placement on subleague.com, printed materials, and event T-shirt.

Booth Sponsor - $400

Booth Sponsors are entitled to a booth during the event, placing their products and/or services in front of hundreds of athletes and fans. Logos (and link) will be displayed on subleague.com and event T-shirt.

Contributors - $250

Contributing Sponsor logos will appear in front of countless athletes and fans on website and event T-shirt.
