**Calling out or making noises of exertion may be seen as verbal submission by the referee.**

**In an effort to prevent injury, referees may stop the match and grant submissions before the tap occurs if they deem the hold to be firmly secured.**

**\* Choke Safety Rules \***

**No** pulling on head to finish Triangle choke (straining the neck).

**No** standing Guillotine chokes. Must not try to finish choke standing. Attacking athlete must sit back to the ground in a safe manner. **No** throws while holding Guillotine (must have head and arm for throws).

**No** hitting or crushing the larynx with hand or forearm.

**No** crushing or squeezing neck with hands or forearm from bottom (guard) or top position.

**No** lock inside closed guard with legs compressing kidneys or ribs.
